

TTT KB1008 Error 1000000x or 5000000x

In order to troubleshoot these error codes you must verify the following conditions.

You are randomly getting any of these error codes on both, Voobly client and Voobly messenger

This is most likely a temporary connection issue or dropped network traffic caused by a firewall; please post at the [technical support forums](#) if the problem persists. Possible behavior:

- You cannot connect at all to both, Voobly client and Voobly messenger.
- You can connect to both, Voobly client and Voobly messenger, but the connection keeps dropping.
- You can connect to Voobly messenger, but Voobly client refuses to load.
- You are connected to Voobly client, but Voobly messenger keeps disconnecting.
